

## Lab- Diagnostic Software

Use the Internet, a newspaper, or a local store to gather information about a hard drive diagnostic program. Be prepared to discuss the diagnostic software you researched.

- a. Based on your research, list at least two different hard drive manufacturers.
  
  
  
  
  
  
  
  
  
  
- b. Based on your research, choose a hard drive manufacturer. Does this manufacturer offer hard drive diagnostic software to go with their products? If so, list the name and the features of the diagnostic software.
  
  
  
  
  
  
  
  
  
  
- c. Why do manufacturers offer hard drive diagnostic software? What are the potential benefits of doing so to the manufacturer and/or customer?
